MIDAS UNIFORM

Midas Uniform leads the industry in supplying personal protective equipment and clothing in the region. Our company complies with the following international standards: ISO 9001: 2008, ISO 14001: 2004 and BS OHSAS 18001: 2007. In 2013, the company successfully passed EDTP (The Enterprise Development and Training Program sponsored by BP and its co-venturers in Azerbaijan) certification. Midas Uniform is an authorized distributor for Portwest products in Azerbaijan, Georgia and Russia.

Who is Portwest?

Portwest Ltd is a family-owned company established in 1904 specialising in the design and manufacture of protective clothing, footwear, gloves and PPE. Portwest has over 100 years of heritage, production technology and product quality. Its products are distributed throughout Europe, the Middle East, Africa and South America.

Industry Associations

Portwest is a member of the leading safety industry research and technology centres. SATRA: is the world's leading research and technology centre of its kind and employs scientific, technical and support staff in the UK, US and China. BSI: UK National Standards Body, with a globally recognised reputation for independence, integrity and innovation. BSIF: The British Safety Industry Federation is the UK's leading trade body within the safety industry.

Quality & Environment

Portwest holds ISO 9001 for quality management systems and ISO 14001 for environmental management. The Portwest UK warehouse and manufacturing facilities are fully independently audited and certified.

Full EN Testing & CE Certification

Every Portwest EN standard product is tested and certified by an independent test-house. All Portwest EC-Type Certificates and Declarations of Conformity are available on request.

Phones, Radios, Big Sizes & UPF

Portwest operates a system of Continuous Product Improvement.

SMART PHONES We are updating all mobile phone pockets on our garments to accommodate larger phones.

RADIO LOOPS Radio loops have been added to many styles to accommodate radios and gas detectors.

BIG SIZES Many of our best-selling garments and footwear now have bigger sizes.

UPF RATING UPF measures the UV protection provided by fabric. Portwest has tested many fabrics and UPF rating is listed beside each item where applicable.
